

Facts about sex and consent to help mob stay safe and respectful

Mob who have sex or want to have sex need to know about Lubly consent.

Sexual consent means that people can say yes or no to sex every time. Sex without consent is a crime.

These resources are made by mob. The resources say:

- how to get consent
- when to get consent
- how to talk about safe sex and birth control
- when you can't get consent, like if someone is drunk or too young.

You can watch a video or read a fact sheet to learn more.

This resource was made by

Victorian Aboriginal Child and Community Agency

The Victorian Aboriginal Child and Community Agency (VACCA) has services for children, young people, families, and community members across Victoria.
