Learning how to care for yourself can help you feel healthy and happy. It can help you recover after hard experiences and improve your mental health.

The guide says that it can be hard to start caring for yourself but it is an important thing to do.

The guide shares ideas about things you can do like:

- spend 5 minutes each day doing something you enjoy
- try a hobby, like reading or doing a puzzle
- pay for something that makes you feel good, like a haircut
- rest when you feel tired.

You can read the guide in Easy Read or Plain English.
